Jail and fines face makers of driverless cars that turn killer

MAKERS of driverless vehicles and other artificial intelligence systems could face jail and multi-million pound fines if their creations harm people, according to the Department of Work and Pensions.

Responding to a written parliamentary question, government spokesperson Baroness Buscombe confirmed that existing health and safety law "applies to artificial intelligence and machine learning software".

Under the Health and Safety Act of 1974, directors found guilty of "consent or connivance" or neglect can face up to two years in prison.

Companies can also be prosecuted, with fines relative to the firm's turnover. If the company has a revenue greater than £50m, the fines can be unlimited.

Chris Jackson, a health and safety lawyer, said the law could apply to a wide range of activities.

"The general duties... apply a wide obligation to manage all risks generated by a work activity," he said. This could include harm to members of the public caused by unsafe AI.

Fears for whale in River Thames

A WHALE, believed to be a beluga, has been seen in the River Thames.

It was first spotted by ecologist Dave Andrews, who said it had been feeding around barges near Gravesend in Kent.

The Whale and Dolphin Conservation Society said it was "obviously lost and quite possibly in trouble".

The British Divers Marine Life Rescue urged the public not to get too close and "to watch it from the shore".

Tanya Ferry, of the Port of London Authority, said: "We're hoping it will find its own way out of the Thames."

CORBYN INCOMPETENT, POLL FINDS

LABOUR leader Jeremy Corbyn would be "incompetent" in Brexit negotiations with the EU, the majority thinks.

A Sky Data poll found just 22 per cent of people thought he would be competent in the talks, compared to 71 per cent who thought otherwise.

The figure was slightly more positive for Labour when asked if the party would be competent in striking a deal with Brussels.

A quarter agreed, while 68 per cent said it would be incompetent.

The news comes as delegates at the party's conference in Liverpool prepared to vote on keeping open the option of holding a referendum on the final Brexit deal.

Sir Keir Starmer, shadow Brexit secretary said in a speech that Labour will vote against the government's Brexit deal.

He argued that "the party that once promised to fix the roof while the sun was shining now seems intent on burning the house down".

But it comes amid low ratings for Mr Corbyn from the public.

Around 69 per cent of people said they were less attracted to Labour by him, compared to 15 per cent who

were more attracted, the Sky Data poll found.

Mrs May also has a 21 per cent lead over him in a run-off question on who people would prefer to be prime minister.

When asked who they would be more likely to vote for in the imaginary scenario where centrist anti-Brexit MPs had split from Labour, 15 per cent said Labour, while 34 per cent said a new party. And 25 per cent said they were satisfied with Mr Corbyn as Labour leader.

GRENFELL WAS NOT FIT TO LIVE IN

IN CHARGE: Andrew O'Loughlin defended 'stay put' advice to residents

THE spread of fire inside Grenfell Tower was so horrendous that no-one should EVER have been allowed to live there, a fire chief has said.

Andrew O'Loughlin told the inquiry into the disaster that the failure of the building could not have been foreseen.

The deputy assistant commissioner was defending the decision to tell residents to remain in their homes.

People in flats not yet reached by smoke and fire should have been protected by the building, he said.

Mr O'Loughlin was the most senior London Fire Brigade officer on the scene and was in charge of the terrible incident when the advice to

- Most senior fireman on scene tells inquest

By COLIN HURST

"stay put" was given to residents.

After 2.47am, residents were encouraged to escape if they could, rather than await rescue.

But Mr O'Loughlin said that firefighters had reason to expect the "stay put" advice would keep residents safe.

He said: "You wouldn't expect fire to spread around the building like it did on the outside. And for it to fail so

catastrophically - we'd never expected or anticipated that.

"We would not expect the internal protection to fail so badly as well. So my expectation was people who were safe in their flats should stay safe in their flats."

Redundant

One firefighter told the inquiry earlier that the advice for unaffected residents to stay put was redundant by about 1.50am.

But Mr O'Loughlin rejected suggestions that the advice should have changed earlier,

arguing that the spread of the fire was something that "none of us could ever have expected".

"The building was so horrendous several hours later that I think no-one should have lived in the building," he said.

The inquiry heard that it took 25 minutes before Mr O'Loughlin was informed of the change in advice.

He said he was confused by the change and did not think it would necessarily make much difference to residents already trapped inside their flats.

"The change to 'stay put' is, if people feel they can escape then they should try to, but I don't think it's trying to tell people they should go into a smoke-filled environment," he said.

The blaze on June 14 2017 caused the deaths of 72 residents.

Hit-and-run driver jailed for mowing down 6 kids

A MAN has been jailed for 11 years after he admitted trying to kill six children in a hit-and-run.

The youngsters, aged between 12 and 14, were standing on a pavement in the Castlemilk area of Glasgow on the afternoon of March 24 when the incident happened.

The children were flying "like skittles", a court heard.

Gerald Gavan, 22, was sentenced at the High Court in Edinburgh on Tuesday, having previously admitted he drove at the children while targeting a man who was nearby.

It was heard the incident was down to tension in the neighbourhood over the death in 2017 of a man who was a relative of the intended victim Billy McGregor.

Gavan's lawyer said his client had wanted to "have it out" with Mr McGregor, because he had been targeting him and his girlfriend.

He added that when he saw his target "the red mist descended" and he drove at him.

Mr McGregor, 21, and other youngsters suffered minor injuries.

Gavan, who pleaded guilty to the attempted murder of the children and the man at a preliminary hearing last month, was also banned from driving for 15 years.

Trump blasts 'corrupt' Iran

DONALD Trump blasted the "corrupt" dictatorship in Iran during an explosive UN speech, accusing its leaders of financing terror with money "looted" from its people.

The U.S. President also praised the economic sanctions his country has placed on "the world's leading sponsor of terror."

He said: "Iran does not respect its neighbours or borders nor the sovereign right of nations."

"They plunder their resources and spread terror around the world."

Trump slammed the "horrible" Iran nuclear deal signed by Barack Obama while insisting that the Islamic Republic should never have nukes.

He added: "The Iranian people must be allowed to pursue their religious and righteous destiny."

Bodies found with gunshot wounds

TWO bodies have been found with gunshot wounds after a British man and his wife (left) went missing in Thailand last week.

Alan Hogg, 64, originally from Edinburgh, and his Thai wife Nott, 61, were reported missing by friends last week after failing to arrive at an appointment.

Two bodies with

gunshot wounds were discovered buried in the garden of their property, Major General Sanpat Praputsra, Phrae's police chief, revealed.

They are yet to be formally identified but next of kin in Scotland have been informed of the development.

Two men, Bia Kamsai and Kittipong Kamwan, both 27, were arrested on suspicion of murder and

have allegedly confessed to the killings.

Police say they have claimed Mr Hogg's brother-in-law, Warut Rattanasajakit, paid them about 50,000 baht (£1,172) to do it because of a family feud.

Rattanasajakit denies any involvement in their disappearance but has now been arrested in connection with the murder.

BEYONCE VOYEUR SEX SPY CLAIMS

'ABUSED':
Thompson
hit out at
Beyonce

Former drummer says that singer watched her romps

BEYONCÉ'S former drummer claims the superstar spied on her having sex by using supernatural powers.

Kimberly Thompson also alleges the singer put a spell on her CAT.

The 37-year-old filed for a restraining order against Beyoncé, claiming for the past six years the singer has led a campaign of harassment against her that included the practice of witchcraft and "magic spells of sexual molestation".

Jealousy

Thompson, who was in Beyoncé's all-girl band as a drummer for seven years, accuses her of being hell-bent on destroying every aspect of her life, including her career, relationships and finances, all out of jealousy.

Thompson said: "She's not been able to let me go, she's not been able

to let me progress into a mature woman and work with other people. "She's just been basically doing anything and everything to damage any type of happiness that I could have."

"This has been a complete nightmare. I've been absolutely, brutally abused by her trying to control everything I'm doing."

But a judge denied her request for a temporary restraining order.

THIS Morning presenter Alison Hammond says nearly every celebrity she interviews is a huge FLIRT.

The 43-year-old shot to fame in 2002's *Big Brother* series but has carved out a successful presenting career for herself.

She said: "Hugh's (Jackman) up there, but they all like a bit of a flirt. Even the women flirt. They're all human, they all want a bit of the Hammond! I'm in awe of Denzel Washington. The last time I spoke to him, he couldn't stop saying 'You're so much like my sister'."

Kym backs Jenna over bikini role

ACTRESS Kym Marsh has backed fellow professional Jenna Coleman after she revealed a Hollywood audition asked her to turn up in a BIKINI.

Kym (above), 42, said she'd also refuse and insisted she'd never been asked to flash the flesh in her bid to bag a role.

Earlier this month, Jenna, 32, told the "bikini audition" tale and admitted she refused to attend the audition in Los Angeles.

And *Coronation Street* babe Kym agreed with her actions, saying: "Nothing like that has happened to me but I'm confused as to why she was asked to turn up wearing one."

"I can't imagine anything that would make me agree to wear a bikini to an audition and, like Jenna, that would definitely put me off!"

"Sadly, if you were at the beginning of your career you might think it's the norm but it most definitely isn't necessary."

School head 'groped mum in his office'

A SEX pest headteacher bought white knickers for a married mother and presented them to her at the school, a court heard.

Married head Kevin Thomas, 46, allegedly told the mum: "They will look lovely on you."

He is also alleged to have groped his victim when she was in his office by putting his hand between her legs before assaulting her again at a school party.

Thomas, head at Glan-yr-Afon Primary School in Llanrumney, Cardiff, is said to have "rocked his pelvis and clicked his fingers" before pulling the woman towards him.

Father-of-two Thomas is also accused of sending her a barrage of emails "expressing his feelings" for the married mum.

Thomas, from Fairwater, Cardiff, denies two counts of sexual assault at Newport Crown Court.

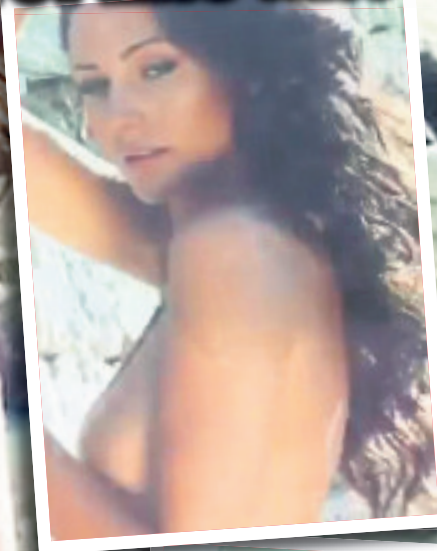

The trial continues.

The sizzling star, who won Best Actress for her role in BBC Drama *Our Girl* at the TV Choice Awards, is currently in Manchester filming her new Sky One comedy *Brassic*.

The edgy comedy, which is due to air in 2019, is about a group of "working-class friends finding unconventional ways to win at life in northern suburbia".

FRED WEST JAIL CELL HOTEL IS SLAMMED

WEST Midlands Police are offering daredevil people the chance to spend a NIGHT in serial killer Fred West's CELL for just £75.

In plans that have been condemned by commentators online, cops are holding a spooky ghost hunt at the notorious Steelhouse Lane jail in Birmingham.

West, 53, was held there shortly after his arrest for the murder of at least 12 people

before he was transferred to the city's Winston Green jail.

However, now dark tourists are being offered a once-in-a-lifetime opportunity to spend their time in the notorious murderer's lair.

The advert for the weird event reads: "These cells were

occupied by none other than the original Peaky Blinders, Fred West and many more. Be there if you Dare!"

Those prepared to cough up £75 will be assigned cells and will be told ghost stories and tales about Steelhouse Lane's most prolific inmates.

They will then be locked in a cell which measures 12ft by 12ft before being plunged into complete darkness from 1.30am through to being let out at 7am.

But some commentators labelled the plans as 'sick and exploitative'.

His wife Rose West, 64, is serving a full-life term for her part in 10 of the murders, including that of her own 16-year-old daughter Heather.

Claudia does lunch in the nude at home

STRICTLY *Come Dancing* host Claudia Winkelman has revealed that she walks around NAKED at home.

Claudia (above), 46, admitted she and her movie producer hubby Kris Thykier, also 46, enjoy being nude at home, much to the embarrassment of their three children.

The brunette beauty said: "Everyone is naked. It is like, 'Let's all have lunch. Take our clothes off first... I've made a fish pie'."

"The 15-year-old is appalled but the whole point about mums is that they are meant to be embarrassing."

Claudia says her nudist tendencies started at a young age as her parents were always naked too.

She added: "We were always naked. And I married a Danish man. He has never got his clothes on."

BBC dance show *Strictly Come Dancing* returned over the weekend with Claudia presenting the opening night alongside 49-year-old Tess Daly.

LILY ALLEN

POP star Lily Allen has lifted the lid on her **KINKIEST** sex secrets in her outrageous new autobiography *My Thoughts Exactly*.

In the book, 33-year-old Lily comes clean about her rampant romps with lesbians and reveals exactly why she started experimenting with girl-on-girl bonks.

Despite being married to her then husband Sam Cooper, 40, Lily admitted she cheated on her beau with women.

Romps

Lily says she began dabbling with same-sex shagging with a female dancer that she was touring with who had a penchant for S&M style romps.

She wrote: "I have a history with drugs and alcohol but in terms of

sex, up until my Sheezus tour, I was pretty straight.

"Sure, I'd shagged around a bit, but I didn't consider myself promiscuous. So here's what I did: I started exploring sex, and not with my husband."

Cheating

"I started sleeping with people on my tour. I persuaded myself that I wasn't cheating on Sam because they were women, so it didn't count."

"The dancer who first made a pass at me was very open about sex. She was into S&M and she talked about all this without any shame."

"I thought 'Maybe this will work. Maybe the reason I haven't been

coming all these years is because I'm gay and I've been sleeping with the wrong gender'."

"I didn't have orgasms with the dancers either, but sex with them got me thinking."

Busty babe Lily also admitted to hiring lesbian prostitutes for sex.

She added: "I hired a hooker. I typed in 'high-class escorts' and the city I was in, then picked up the telephone. I asked for a woman."

"The woman the agency sent arrived quickly and she stayed the whole night."

"I liked her, but I also had to get up early and go to several cash machines to get enough cash to pay her."

'Sagging' Kerry up for a boob job!

FORMER pop star Kerry Katona admits she'd LOVE to have a BOOB JOB to lift her "SAGGY" pair.

Kerry, 38, has lost a whopping two and a half stone this year, and while her body looks sensational, her boobs have taken a hit.

The blonde beauty (above) said: "I'd love a boob uplift – because I've lost weight, they sag a bit. In a few years, they could be around my waist!"

"I don't want them any bigger though, I like the Kate Moss look of smaller boobs."

Atomic Kitten singer Kerry has already gone under the knife three times to modify her boobs, and she had a breast reduction in 2008, a tummy tuck in 2016 and liposuction last year.

She's clearly no stranger to getting a helping hand from a surgeon and the stunna also admitted to having regular Botox.

She added: "I love Botox too. I get a bit here and there but, because I've got a baby face, I don't need much."

FLOPPY COCK!

A SEX worker who went twos-up with the assassins sent by Russia's President Putin has revealed sex with the pair was a disappointment – because their cocks kept going limp.

Marianne Harper says she was paid £120 to spend three hours with Ruslan Boshirov and Alexander Petrov.

Thrust

Their encounter was on Saturday March 3 – the night before the two men travelled to Salisbury to try and kill Russian defector Sergei Skripal, 67, and his daughter Yulia, 34.

Marianne, 25, had no idea the men who hired her through an online escort agency were international assassins.

And when the blonde, originally

All she knew was that the two men were drunk on vodka and struggled to keep it up when they tried to spit roast her.

She said: "As far as I was concerned it was an average Saturday night job."

"I got a call from the agency saying they had a job for me, took the address and jumped on the Tube."

"One of the men met me at about 8pm outside Bow Road station, which is a few minutes from the hotel."

"He was a bit tipsy so I was slightly wary but he seemed in good spirits so I was happy to go with him."

"He spoke broken English with a heavy accent but I could understand him."

"He kept bragging about how good the sex was going to be and saying he and his friend often shared women."

"The hotel wasn't the most luxurious but it looked clean and so I followed him to their room – and when he opened the door I was struck by the smell. It reeked of weed."

LESBIAN STALKER MADE DOCTOR'S LIFE HELL

LURKED NEAR HOME: Todorova-Besarbova

Bombarded victim with love letters

A FEMALE dentist obsessed about a woman doctor she wanted to have lesbian sex with bombarded her with love messages and lurked near her home during a two-year stalking campaign, a court heard.

Daniella Todorova-Besarbova, 52, was married and had never had a girl-on-girl relationship when she allegedly became fixated with the medic, a court heard.

Cheltenham Magistrates Court heard a stash of pictures of the medic was found on her computer and she had researched stalking laws when she was arrested.

Todorova-Besarbova, from Gloucester, was set to face trial after pleading not guilty to stalking the married medic, causing her "serious alarm or distress".

Pester

But the prosecution offered not to proceed with the case when the defendant accepted an indefinite restraining order banning her from contacting her alleged victim.

The court was told the stalking campaign lasted nearly two years, between December 2015 and September 2017.

Prosecuting, Matthew Jackson said the pair met professionally in 2014 but Todorova-Besarbova began to

pester the medic after she refused to go for a coffee with her.

He said: "A Facebook friends request then appeared from the defendant to the complainant. Several Facebook messages were also sent by the defendant."

Todorova-Besarbova saw the medic on May 13, 2016 and gave her a love letter for her to consider.

The court heard in the letter she said she had agreed divorce terms with her husband and would be free in three months, adding "I will wait for you".

The cosmetic dentist was also said to have written: "I have never been in love with a woman before. You are the first in my life. Love Daniella."

Customer glassed by shitty barmaid

A BARMAID is accused of throwing a glass at a customer's head after he complained about her taking too long having a POO.

Nicole Swindle, 28, was arrested after midnight last Thursday. Police said the victim had been waiting 30 minutes to get a beer because Swindle was in the bathroom.

When she came out, the victim told her that if she wasn't a drug addict she wouldn't take so long. Cop said Swindle reacted by throwing the beer mug and hitting the victim in the head at the Last Chance Bar in Holly Hill, Florida.

The victim was left with a cut to his skull.

Swindle was charged with aggravated battery.

Police also said they found pills on her, so she faces a drug charge too.

Cops right to Taser garden woman, 87

A POLICE chief said an officer was justified in using a Taser to stun an 87-year-old woman after she failed to obey commands to drop a knife in her hand.

Relatives said Martha Al-Bishara does not speak English and didn't understand cop commands and that she was merely out cutting dandelions with a kitchen knife in the garden of her home earlier this month.

Police held her at gunpoint before felling her with a jolt from the stun gun. She was charged with criminal trespass and obstructing an officer.

"An 87-year-old woman with a knife still has the ability to hurt an officer," said top cop Josh Etheridge in Chatsworth, Florida.

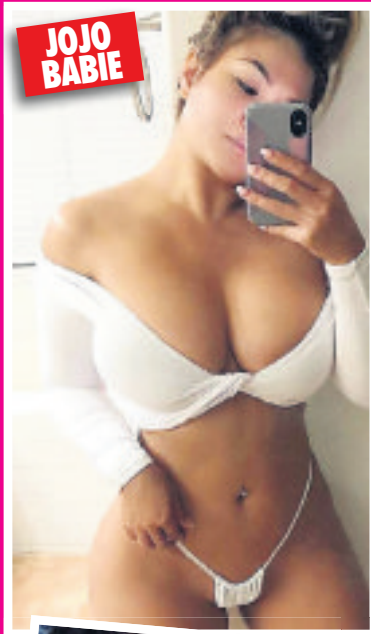

Driver let kid, 11, drive bus

A BUS driver has been fired after she was filmed allowing three young students to steer.

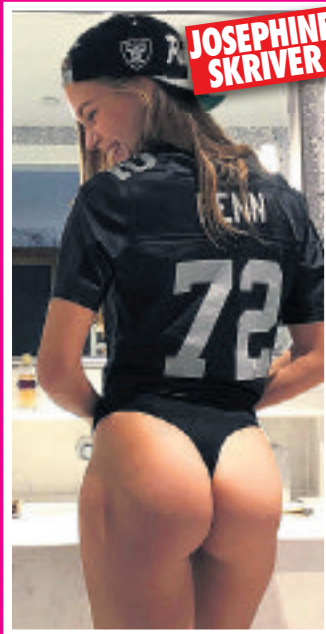

Joandrea McAtee, 27, has been charged with neglect following an investigation by authorities after parents reported the incident.

Three students, aged 11, 13 and 17, were allowed to drive the bus down a street in Valparaiso, Indiana.

A spokesman for the company that operates the buses said it was "incredibly disappointed", adding: "The driver was terminated. We have a zero-tolerance policy for employees whose actions may harm or put others at risk."

TV PRESENTER Michaela Strachan has promised even more INNUENDO in the new *Autumnwatch*.

The upcoming series of the nature show will be filmed in New England, America, and Michaela (above) has revealed that she and co-host Chris Packham, 57, have been warned about their innuendo-laden chat.

However, 52-year-old Michaela claimed their sexual gags are all "accidental" and said there will be a lot more when *Autumnwatch* hits screens later this year.

She said: "They have beavers in New England. They also have bald eagles and moose. I don't know what we'll do with moose but I'm sure we'll find something."

"When you are talking live about 'great tits' you don't even need to do an innuendo, the innuendo factor is pretty high."

Last year Chris revealed the pair had been told off for their risqué sense of humour.

THE first recorded use of the word 'pop' as in 'pop music' was in a letter by novelist George Eliot in 1862.

Throttling tosser
is spared prison

A MAN who kidnapped a woman, choked her until she lost consciousness and then masturbated on her has been spared jail and let off with a "pass" because a judge said he'd already been given a life sentence by losing his job.

Justin Schneider, 34, was arrested last August after attacking the woman. He had offered her a ride home then attacked her, strangled her until she passed out and tossed over her to "fulfill himself sexually".

He was granted bail after he was arrested and was allowed to await trial at home with his wife and children in Anchorage, Alaska.

He was sentenced to two years' jail but had one suspended and was let off for time served on the other.

He was never charged with sex assault because, in Alaska, masturbating over a victim is not a sexual crime.

LOVE Island babe Megan Barton Hanson leaves little to the imagination as she heads Stateside to sign a MEGA-MONEY fashion deal.

Megan, 24, made sure she looked her BREAST and almost bared 'em in a dangerously low-cut minidress as she enjoyed a night out in Los Angeles. Her nipple almost escaped in the excitement of her signing a reported deal with online fashion brand Pretty Little Thing.

MEGHAN Markle's fanny is not to be the subject of public discussion, Buckingham Palace says after a debate started on the Daily Mail website about her minge.

Royal insiders say there should be no talk or even question marks over the condition of Prince Harry's new missus's mimsy.

It comes after fashion experts revealed how Meghan achieves her sleek look with the help of her secret style weapon – the bodysuit.

According to the Mail Online the Duchess of Sussex, 37, wore U.S. brand Tuxe's Renegade Cashmere bodysuit with a pleated skirt for the launch event of her charity cookbook at Kensington Palace.

Filth

It is not the first time Meghan has worn an all-in-one number, but when Mail readers were confronted by the news of the Duchess's undies they couldn't contain themselves and started spewing filth about the Royal minge on the rag's comment section.

"Holy Mackerel! Yuck! Imagine the stench." While *Republic 2020* said the clothing style is not healthy, explaining: "Vaginas need air supply." *Techskill* was more direct saying: "She likes it up her chuff."

The comments enraged staff at the palace who were furious that Daily Mail readers would dare to comment on Meg's muff.

A source said: "Meghan's private parts should not and will not become a topic of public discourse."

"It's a private vagina, and a royal one, and that is how it will stay."

GORGEOUS glamour girl Adele Taylor might have three drawers crammed **FULL** of **LINGERIE** but she much prefers being totally **NAKED**.

And the 28-year-old beauty, from Wembley, north London, said being in the buff all the time means it's a lot easier to have a quick shag.

Adele said: "If I had my way I'd be nude all the time."

"I like lingerie and have a massive collection - there are three drawers full of the stuff in my flat."

"But I just love being naked. Plus, if you fancy a quickie you can just get to it without messing about taking your clothes off."

The 32D lovely also revealed she loves bringing men to the point of climax with her special blowjob technique.

Adele added: "I prefer to **GIVE** than receive when it comes to oral pleasure."

"I have big, soft lips and a top-secret technique that never fails to make a guy shoot his load!"

CHUFF**

By COLIN HURST news@sundaysport.co.uk

A WOMAN in agony was found by doctors to have a TURTLE in her vagina.

She was rushed to hospital after experiencing "severe abdominal pains".

That was where medics made the shocking discovery after an intimate examination of her private parts.

Partying

It is unclear how the turtle ended up inside the woman's chuff and she told doctors she has "no recollection"

of it being put there. The ex-pat Brit said that she began experiencing pain two days after going out partying with friends in Tenerife in the Canary Islands.

Police were called to the hospital by a doctor who was concerned the woman may have been the victim of a sexual assault.

A police source on the island said: "This incident did happen and the reports are true. The woman does not

know how the reptile ended up where it did and we don't either."

The woman suffered a "serious infection" from the dead animal, which is believed to be a freshwater turtle, and police have opened an investigation into the incident.

Discomfort

The police source added: "The doctors at the hospital inspected her and saw that her discomfort was due to the fact that the woman, who lives on the island, had a dead turtle inside her vagina which had caused a serious infection."

The woman has since made a full recovery.

Facebook is sued by 'sick content' worker

A FACEBOOK employee is suing Mark Zuckerberg's tech giant claiming it failed to protect her from getting trauma from the graphic violent images her job required her to watch.

The woman's lawyer in California said: "Facebook is ignoring its duty to provide a safe workplace and instead creating a revolving door of contractors who are irreparably traumatised by what they witnessed on the job."

The employee, Selena Scola, says she was subjected to "videos, images and streamed broadcasts of child sexual abuse, rape, torture, bestiality, beheadings, suicide and murder," according to the suit.

Cheers!.. Recipe for perfect pint revealed

THE recipe for the PERFECT PINT has been revealed – a frothy head of 9mm, served in a 'proper' pint glass along with a bag of crisps at 5.30pm on a Saturday.

A new study found that to enjoy a pint of beer to its fullest, Brits should pop to a pub just after final score on a Saturday – and in time for the 5.30pm kick-off.

A poll of 1,000 beer lovers around the UK found that a perfect pint should have a frothy head of 9mm and served in a proper pint glass.

According to the study by St Austell Brewery's Proper Job IPA to celebrate Cask Ale Week – which runs until September 30 – the first pint should take 28 minutes to sup.

I don't shag Ozzy enough, says Shazza

SHARON Osbourne reckons her husband Ozzy has affairs because she only SHAGS him on "special occasions".

The *X-Factor* judge, 65, revealed that she barely has sex with her 69-year-old hubby anymore and says it might be why he "fiddles other people".

Chatting on American show *The Talk*, Sharon discussed sex and said: "This is a bone of contention in our house, because he's got a problem. He's just like a rabbit. I am like, birthdays, Christmas. At this point in my life, it's special occasions."

"We're in our 37th year. No wonder he fiddles other people."

Ozzy's multiple affairs in the past have been well documented and just last year Sharon said her hubby had cheated on her with six other women.

She discovered his conquests included a Russian teenager, two masseuses and the couple's chef as well as his hairdresser.

At the time, Sharon said: "If you're a woman giving Ozzy a back rub or a trolley of food, God help you."

HUNDREDS of skinny dippers STRIPPED NAKED and ran into the North Sea to celebrate the Autumn Equinox.

Around 600 completely starkers swimmers ditched their clothes and raced into the chilly ocean at sunrise.

They sped into the water off the coast of Druridge Bay, Northumberland, in a bid to raise money for the mental health charity Mind.

The naked horde fully embraced the freeing experience by splashing and paddling in the cold water – including a bevy of beauties in the buff.

A group of stunning women peeled off their clothes and flaunted their

bare bottoms as they brought in the Equinox with a naked dip.

Artist Jax Higginson organised the annual event, which is now in its seventh year, to raise money for Mind.

So far, it has raised over £30,000 for the charity.

Wanker starts fight in woods

A BLOKE who told police he just wanted "alone time" to masturbate in the woods has been charged with indecent exposure.

Kenton Shaull, 55, admitted to police he was "jerk off" along a wilderness trail but found himself "tussling" with a man who took offence to his actions.

The incident occurred about on Saturday evening when police callers reported a naked man fighting someone.

When officers arrived at the scene, they heard "crashing"

coming from a ditch and found two men – Shaull, who appeared to have a bloodied mouth, and a 42-year-old man – both covered in mud and dirt, court records say.

When a cop asked Shaull what happened, he allegedly shouted: "He found me with my cock in my hand, jerking off, and kicked my balls."

He contended that he never had any "alone time" and said that while he walked on the trail, he found a private location and began "jerk off".

The other man told an officer

that he and his wife saw Shaull masturbating above the Lake Wilderness Trail about 20 miles southeast of Seattle, in Washington state, and so he hit him and placed him in a choke hold.

Shaull allegedly said: "Bro, cut me some slack, I was just in the woods masturbating, minding my own business".

He also claimed he was "just a guy trying to take care of his needs".

It later transpired that Shaull has been previously convicted of indecent exposure.

'Look at my knob', yelled naked nutter

A MAN is accused of running around naked, swearing and shouting at people to look at his genitals while in a takeaway's car park.

Cory Hatzl (above), 30, was arrested after a woman called police around 1am saying Hatzl was chasing her boyfriend and "trying to fight" him.

The woman had got a call from her boyfriend, who was riding his bike when Hatzl started chasing him, police said.

The woman said when she arrived at the "Chick-fil-A" fast food outlet, Hatzl tried to fight her boyfriend and then started to take off his clothes.

Hatzl kept yelling at the woman's boyfriend: "You're gay for looking at my penis."

When cops arrived, Hatzl had dried blood on his nose and would not tell them his name.

Cops said Hatzl yelled at passing cars to ogle his genitals before they arrived at the scene in Palm Coast, Florida.

Hatzl was nicked and slung in the lock-up.

'Kidnapped' man a faking disgrace

A MAN who faked his own kidnapping and demanded a "ransom" from his pregnant girlfriend so he could go drinking was jailed after he admitted wasting police time.

Leigh Ford, 45, sparked a police operation costing £30,000 after he made frantic calls to partner Zoe Doyle claiming he would be mutilated and have his genitals cut off.

She sent him £80 but his story unravelled when police found CCTV of him leaving a shop after buying drinks with friends.

His 16-week prison sentence meant Ford, from Blackpool, missed the birth of their child.

Zoe, 35, said: "I could hear men threatening to break Leigh's legs and throw boiling water over him."

"They were threatening to mutilate him, cut off his genitals, and I was panic-stricken."

But she is giving Ford a "second chance".

'HE CUT OFF RIVAL'S COCK AND THREW IT OVER A FENCE'

NO.1 FOR CRIME

A JEALOUS partner flew across the United States to CUT OFF his love rival's genitals.

Justin Foster, 28, is charged with attempted murder after he sliced off his victim's private parts and battered him so severely he suffered brain damage.

The 26-year-old had been dating Foster's ex-girlfriend and this was something he wasn't going to take lying down.

He flew from Atlanta to Chicago on March 13, rented a car and drove to his love rival's house.

Blood

Foster approached the victim and began striking him in the head repeatedly with a tyre iron until he lost consciousness.

Foster then carved his initials into the victim's leg before cutting off his genitals and tossing them over a fence.

His alleged victim was left lying in a pool of blood while Foster drove to O'Hare International Airport and caught a flight to Atlanta.

The injured man "will

never fully recover from injuries sustained as a result of this incident", police said.

Detectives said they learned Foster had sent a glut of threatening e-mails and text messages to the victim and his girlfriend.

The woman is the mother of Foster's child. Foster was identified

as the prime suspect in the horrific attack and investigators executed more than 40 search warrants.

Florida cops busted him on August 25 and he was extradited to Chicago.

The victim has been released from hospital but now requires around-the-clock care.

Foster has been ordered to be held without bail before his date in court.

EIGHTEEN years ago *Big Brother* burst onto our screens as a groundbreaking televised social experiment.

Housemates were cooped up together and watched for 24 hours a day by unblinking cameras – just like in George Orwell's nightmarish novel *1984*.

The show was an instant hit and the addition of "...from Big Brother" to a person's name equalled immediate, if fleeting, fame.

Sanity

Over the years the show changed to an out-and-out freak show as housemates with an increasingly shaky grasp on sanity were included.

Eventually, the contestants were unhinged enough for the show to move across to Channel 5 who, earlier this week, announced the end of *Big Brother* and its Celebrity stablemate.

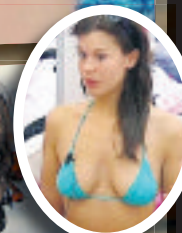

But over the years, *Big Brother* has filled a LOT of pages in the *Sport*, mainly because the contestants are often happy to get their boobs out.

Sotoday, we present the **ULTIMATE** *Big Brother* boob collection.

SCHOOL MISS HAD SEX WITH TWO TEENS

DRUNK:
Lewis
plied
teens
with
booze

But she is spared jail

A TEACHER has avoided jail after cheating on her police officer husband with TWO of her students.

Sarah Lewis, 29, was handed a five-year suspended prison sentence after she admitted shagging one of the two 17-year-olds in a plea deal.

However, she has been warned she could face a year behind bars if she is convicted on a separate drugs charge.

Kissing

Lewis was initially arrested in January 2017 while working as a dance and social studies tutor at Landmark High School in Spanish Fork, Utah.

A student had told police she had had sex with him at her home, despite being married to a copper, after plying the teen with beer and vodka.

He filmed them kissing on a sofa before they went into a bedroom and

he sent footage to his friends, the court heard.

Lewis later told police the fling was a 'one-time thing' and said: "My husband was gone and I was drunk. I don't know, it was easy, I guess. I don't know. It never happened again."

But she was arrested again two weeks later when a second student confessed to bonking Lewis.

They swapped messages on Snapchat before she picked him up and led him to her bedroom after giving him whisky and champagne.

In a plea deal in June 2017, Lewis admitted sexual activity with the student who filmed the encounter and got the suspended prison sentence.

Lewis will return to court on October 22 to face two counts of possessing methamphetamine with intent to distribute and owning drug paraphernalia.

Ambulance thief told cops: 'Why leave it unlocked?'

A SERIAL offender has been arrested for the 39th time after she stole an AMBULANCE and led police on a high speed chase.

Authorities eventually brought the vehicle to a halt with a police spike strip and Christy Woods was arrested.

While being taken to Oregon's Douglas County Corrections centre, Woods told cops: "Why would they leave it unlocked?"

She also cursed: "F**k, I'm going to prison."

Woods (above), of Roseburg, Oregon, was booked on 14 charges, including assault, interfering with paramedics, criminal mischief and reckless driving.

The 37-year-old has an extensive rap sheet, mostly for disorderly conduct, trespassing, criminal mischief, harassment and violating parole.

She has now had 39 recorded brushes with Douglas County law enforcement in Oregon since 2011.

Fact me!

IN 2017 more people were killed from injuries caused by taking a selfie than by shark attacks

Food stamps used to buy lap dances

A STRIP joint had its licence revoked after investigators used food stamps to buy lap dances.

Agents were also able to purchase drugs using the food stamp benefits during the investigation.

Throughout the five-month probe, agents reportedly exchanged around £2,000 in stamps to purchase heroin, methamphetamines, fentanyl, carfentanyl, cocaine and lap dances at Sharpey's in Ohio.

Criminal charges were filed against employees and patrons for drug trafficking, food stamp trafficking, aggravated shipment and distribution of heroin, engaging in a pattern of corrupt activity and illegal sexual activity.

Agents also filed 44 charges that included drug possession, drug sales, engaging in sexual activity, food stamp trafficking and solicitation.

BODYGUARD EXCLUSIVE

'CAN WE WATCH BUDD SHAG HIS WIFE PLEASE?'

Fans plead for Sophie Rundle sex scene in second series

FANS of gritty political drama *Bodyguard* are DESPERATE for Vicky Budd to get 'em out in the second series of the tense show.

Viewers were CRIPPED by the dramatic series finale on Sunday evening – and social media erupted with suggestions for the next series.

Richard Madden, 32, who played David Budd, was seen bonking 42-year-old Keeley Hawes' character Julia Montague on the show but fans want to see him get to grips with Vicky in the hit drama.

Horny

Stunning actress Sophie Rundle, 30, played his wife and now viewers of the BBC One thriller are gagging to see the pair get it on.

Social media went wild when it was revealed there will be a second series of *Bodyguard* and horny fans didn't hold back.

By **BECCA STUBBS**

becca@sundaysport.co.uk

One made his thoughts perfectly clear as he wrote: "Right we've seen him shag Keeley, now give the fans what they want and get him shagging Sophie."

While another also took to Twitter and penned: "Sophie is his wife on *Bodyguard* so we need to see them have sex?"

Another user also agreed and said: "Sophie has amazing boobs, WHY haven't we seen them yet? Second series please."

Bodyguard was a ratings smash for the BBC, with more than half of all Sunday night TV viewers glued to the dramatic ending of the tense six-part show.

A staggering 11 million people tuned in as 52-year-old Jed Mercurio's thriller reached its gripping finale, drawing a peak audience share of 55 per cent across BBC1 and BBC1 HD.

SMARTPHONE... DUMB ACTOR!

Star holds mobile upside down

BODYGUARD might have had millions of viewers on the edge of their seats but eagle-eyed viewers noticed an almighty BLOOPER.

Actor Richard Madden had fans holding their breath in the last episode of the BBC drama – but his character David Budd was spotted holding his mobile phone UPSIDE DOWN.

In one scene, he is seen tapping on his smartphone but one viewer noticed his mobile was the wrong way round meaning he would have to be typing upside down.

The phone's charging port and headphone jack are seen

at the wrong end as Richard pretended to type.

Despite the cock up Richard, 32, who played ex-soldier turned protection officer David Budd, posted a photo of himself

on-set as he said thank you to everyone who was watching.

He wrote on Instagram: "Blown away by the response to #Bodyguard. Thank you SO MUCH to everyone who's watched and supported the show it's truly overwhelming."

"I'm so proud to have been part of the amazing talented team that worked so hard to bring this story to life. Cheers!!"

OOPS!!! Richard's blooper

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

AS a guy in his mid-20s, is it wrong for me to want to use a dildo every time I have sex?

I don't have a regular girlfriend, so my sex life always consists of one-night stands.

I happened to sleep with one girl a few times and she thought it was weird that on each occasion I brought out a huge, pink dildo and asked her to penetrate me with it.

The third time she got dressed and left and said I was in the closet and needed to come out.

I am definitely not gay - I have never had feelings for men, but I just seem to get aroused better this way.

Am I weird?

Anon, Cambridge

Ashleigh says...

CERTAINLY not - lots of straight men take great pleasure from shoving things up their bums.

Dear Ashleigh,

I'M a 19-year-old student who has just moved away from home to go to university.

Until I moved away I was having a fantastic time partying and was banging this lass whose dad owns a big boozer.

Last month we went back there after a club. It was about 2am and we went through to the pool room.

We decided to have a game and every ball we potted meant the other had to take off an item of clothing.

Before long, she was wearing just a pair of hold-up stockings, and the next ball I potted, I challenged her to lay back on the table and spread her legs.

She did and started fringing herself, and just before she came I got my dick out and clambered above her, putting my knob in her gob.

We both came and she swallowed the lot and the green baize cloth only had a few damp patches from her juices.

But last week she asked me to leave college to help her and her dad run the pub.

I'm tempted but know that getting an education means a lot to my parents, who never got the chance.

What should I do?

CB, Staffs

Ashleigh says...

TRY it part-time. You'll earn soome cash and have more chances to shag her.

Dear Ashleigh,

I'M a married working mum, aged 37, and a few weeks ago I took a day off work because we were having a bedroom carpet fitted at home.

When the fitter arrived he turned out to be a gorgeous lad in his early 20s.

We began chatting and he told he was a part-time stripper nicknamed 'King Dong'.

And I could see why - his cock was bulging through the front of his tight shorts.

I couldn't take my eyes off it and he noticed the look of amazement in my eyes. Then, in a flash, he'd dropped his pants and there it was in all its glory.

Next thing I know, 15 years of being totally faithful went out the window as I sank to my knees and I proceeded to wank and suck that monster dick like my life depended on it.

I was nearly gagging at one point as I deep-throated him, but he somehow managed to push it deeper.

When he shot his load it was like swallowing a pint of milk. Then we rolled around on the bare boards and he gave me the best f**king of my life.

Now I can't get this young stallion out of my mind.

What should I do?

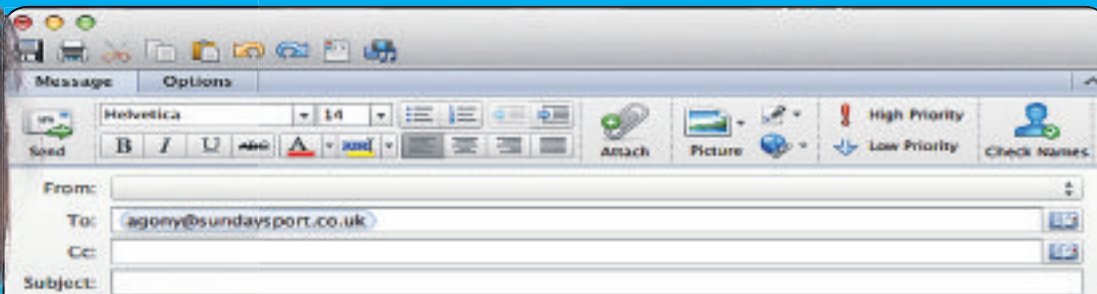

LR, North London

Ashleigh says...

CHECK out your local pubs and clubs for male strippers.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

I love slipping one in after an oily massage

Dear Ashleigh,

I WORK in a pretty menial job and life's a struggle.

It has got so bad recently that after a few years off looking after the kids, the wife said she'd get a job to make ends meet.

After scanning online job sites for work, and attending a few interviews, my wife announced she'd got a job at a supermarket. Life became great – every week my wife piled in with bags full of shopping – and more cash.

Then I bumped into one of her pals who leered: "How's she doing at the massage parlour?"

Well, I couldn't believe it, but I confronted the wife and she admitted it.

Oral

I was ashamed, hurt and worried but I calmed down when she said she was earning up to £200 a night and was now able to buy all the things we'd denied ourselves before.

Then she told me of some of the services she provided.

She said she gave only hand relief and oral and never offered full sex.

After hearing the sex menu, I found myself strangely turned on.

I pulled her onto my knee as we sat on the sofa and what followed was absolutely amazing.

We slowly undressed each other, button by button, and I pulled up her jumper to kiss her 34Cs.

Then we stood up and took off the rest of our kit.

She told me to lie on my stomach on the carpet then she pulled out a bottle of oil and began rubbing my back and legs.

My dick was throbbing, so she rolled me onto my back and mounted me.

I was in heaven as I thrust away until she screamed as I brought her to orgasm.

We have sessions like this regularly now, but I still get jealous when she's out at work.

Do you think I should just try to get another, better job, so she can stay at home and service just me?

SD, West Mids

Ashleigh says...

NO – she clearly loves her new job as much as she loves you.

Dear Ashleigh,

I'VE just had sex with my boyfriend of three months for the first time.

Although we'd done plenty of other things before, I didn't realise how small his dick was until it was inside me.

He is great with his mouth and his hands, but when it came down to actual penetration I couldn't feel a thing.

Of course, I moaned and groaned as if I was having a great time – but the truth is I could have fallen asleep.

I am really keen on this guy and don't want to lose him, so is there anything I can buy to make him bigger?

Carrie, Brighton

Ashleigh says...

No. Get used to it or get rid!

Dear Ashleigh,

I WOKE this morning with a raging hard-on and had a quick one off the wrist, spurting all over the missus as she lay sleeping beside me.

It's not something I normally do, but despite the wank, my erection stayed.

The wife wouldn't let me shag her and my stonker went down later but I'm certain this would have been our best-ever bonk.

Should I trade her in for a new and younger model?

KM, Dorset

Ashleigh says...

NO, just be a bit more careful where you're shooting your jizz and I'm sure she'll let you have a leg-over again soon.

DO YOU HAVE A SEX PROBLEM?

Dear Ashleigh,

I'M a 34-year-old roofer with a lovely girlfriend who I plan to marry some time next year.

The other week I was called out by a pal of mine to help him with a loft conversion.

Anyway, me and my pal got going on the job and started clearing out the loft.

There were loads of boxes of photo albums and I thought there was no harm in having a flick through.

The first was of wedding snaps but in the second there were loads of old Polaroid pictures of the lady of the house in explicit PORN poses!

In the next album there were more photos of the woman being serviced by different guys.

At the end of the day, when we were getting ready to go, the woman turned up at the house wearing a tiny revealing dress.

I couldn't help but think of her with

her legs spread like in the photos.

My pal had to get off but I stayed on, using the excuse of measuring up.

Then she said: "I'd like to measure you up!"

As she said it she slipped out of the dress – she had nothing on underneath and pretty soon I was pumping away at her.

Just before I was about to come, she pushed me off, grabbed a camera and took a pic of me with a stiff cock and spunking off.

Then her hubby walked in and said he'd been watching the action and wondered if my fiancée would like to see the photo!

Now they are insisting I take part in a filmed orgy with them, but I don't want to be blackmailed like this.

What should I do?

PK, South Yorks

Ashleigh says...

FORGET foreplay, there is apparently a crucial stage of shagging that most people are missing out on.

It's no secret that foreplay is one way to heighten your intimate sensations, as well as upping your chances of reaching orgasm.

But apparently, there's another saucy stage called 'AFTERPLAY' that many couples are missing out on.

Love guru Annabelle Knight has revealed that 'afterplay' is the secret to maintaining an enjoyable experience in the bedroom.

If your romps typically end with you turning over and falling asleep, you could be damaging your relationship.

Engaging in a bit of 'afterplay', which involves spending time with your partner, can help to strengthen your bond.

Massage

Sexpert Annabelle said: "If you think of sex as a long distance race, then foreplay is your warm up, the race itself is your sex session, and 'afterplay' is your cool down."

"When you look at it like that, it's clear that it should be an important part of your sexual scenarios."

"By including a longer post-sex routine, you may find it helps to boost your interest in sex altogether, resulting in better sex and more of it."

Kissing and cuddling after getting jiggy is the easiest way to dabble with 'afterplay'.

Alternatively, showering together or giving one another a massage can extend your periods of physical contact.

We asked three *Sport* stunnas what they thought of the kinky new addition...

Sandra Shine says...

I'm normally the one that falls asleep after a quick shag - but maybe now I'll stay awake, especially if this afterplay stuff means we get more sex in the long run.

Candice Creswell says...

BY the time I've finished having sex with a bloke, he'll have no energy left for some afterplay!

Helen Marshall says...

LONGER shags? Who wouldn't be up for trying that out? I shall be extending my sex from now on.

#MY SEX FANTASY

...WITH
LANE
WILLIAMS

'A guy on a horse makes me froth like a gusher!'

By BECCA STUBBS

becca@sundaysport.co.uk

LOVELY Lane Williams has a confession... she loves nothing more than to go down to Beaver Town!

The 34C glamour beauty has dated both men and women and says she thinks girls are better at sex than men are.

Unless this is just a cunning way to get a fella to try harder.

The 29-year-old said: "I was dating a girl for a year before we split up recently. But the sex was incredible! 'Blokes just can't do it, sorry!'"

But Lane, originally from Dallas, Texas, admits she can't stop perving at guys who are rugged.

Naked

"I do have a big thing for cowboys," she purred.

"I've got me a ranch and the sight of a guy on a horse makes me froth like a gusher!"

The stunna modelled in the UK before returning to the US.

"I lived in Shepherd's Bush," she said. "London's a great city," but I prefer the outdoors.

That involves being naked often and Lane gushed: "There's no rush like it. Being totally naked is the best thing in the world."

"When you take off all your clothes and know that thousands of people will see your naked body, it makes you feel amazing."

"It's really empowering."

BETH BENNETT

PLUMBER Colin Jarvis wrote in begging for a topless photo of his favourite glamour girl Beth Bennett.

Colin, 38, from Stockton-on-Tees, fancies the pants off Beth, 27, from Islington, London, and loved ogling her photos in the *Sport*.

In his letter, Colin wrote: "Beth is my favourite *Sport* girl. She's beautiful and she's got a real handful with her 32D boobs."

Well, here you go Colin, enjoy!

DESTINY DUNES

EXOTIC stunna Destiny Dunes is the apple of Tommy Clarke's eye and he can't get enough of her jaw-dropping norks.

Delivery driver Tommy, 46, from Gillingham, travels up and down the country but always keeps a sexy snap of 25-year-old Destiny nearby.

And Derby-born Destiny's 34GG boobs help keep Tommy going on his long journeys.

He said: "I always keep a pic close to hand in the van, she's a real woman is Destiny."

LUCY LEE

KINKY Lucy Lee caught the eye of 29-year-old Michael Hall, from Walsall, who emailed us to request a sexy snap of the Prague-born babe.

Walter Michael works in a restaurant and dreams of the day 23-year-old Lucy walks in to have a bite to eat.

Michael said that Lucy looks like his ideal woman and he would love to get his hands on her 34DD chest.

He said: "She is so sexy and mysterious. I'd love to find myself a woman like that, or even take the real deal out on a date!"

NEW FACES ON SHOW AT ANFIELD

LIVERPOOL have only won two of their last 14 games against Chelsea – both at Stamford Bridge – ahead of this evening's League Cup clash at Anfield. Surprisingly the Reds have lost their last three League Cup ties without scoring a goal and were eliminated at this stage last season.

The sides meet in the Premier League at the Bridge on Saturday and managers Jurgen Klopp and Maurizio Sarri look sure to shuffle their packs with one eye on the weekend. Liverpool have been fortunate with injuries so far this season, but they have shown their squad depth with Daniel Sturridge, Xherdan Shaqiri and Joel Matip all starting and impressing in recent games.

Liverpool are 5/6 at BetVictor to win in 90 minutes with the Blues 16/5 and the draw 3/1.

Klopp has improved Liverpool season-by-season, but he has yet to win any silverware. I am convinced that will change this season and 11/8 for the Reds to win any major trophy looks very attractive. Liverpool are 20/1 to win the League Cup and Premier League.

This is the 57th meeting between Liverpool and Chelsea since the turn of the millennium – the most played fixture in English football in that time. We don't have to wait long for the 58th but it is Liverpool who I think will come out on top this evening.

Spurs entertain Watford this evening looking for revenge after their 2-1 reverse at Vicarage Road.

Great

The Hornets were, arguably, unfortunate to come away from Craven Cottage with just a point on Saturday, but they have lost their last nine away games against the "big six" and have conceded 28 goals in the process. Spurs are 9/20 at BetVictor to win the tie with Watford 6s and the draw at 19/5. Watford and the draw is 7/4 with BetVictor and that is the tip.

Other than the Ashes, World and European football Championships and the Sherag Cup – only kidding – the Ryder Cup is the greatest team competition and the resurgence of the great Tiger Woods has added even more to this weekend's Paris showpiece.

The States are 4/5 with BetVictor to lift the Trophy with Europe 5/4 and the tie at 11/1.

Justin Rose trousered \$10m at East Lake on Sunday for winning the FedEx Cup but he has a big role to play for the Europeans and I have supported him to be the top English points scorer at 2/1. Tommy Fleetwood (3/1 at BetVictor) has gone off the ball slightly in recent weeks – bit like his team Everton – Ian Poulter is 10/3, Paul Casey 9/2 and Tyrrell Hatton 15/2.

Tiger has a modest Ryder Cup record winning just 13 of his 33 matches although he has only lost one of his seven singles ties. Tiger has only been on the winning side once in 1999 but this USA side do look quite special with the notable exception of Phil Mickelson who played poorly at East Lake.

I can hear you asking who is the only European to beat Tiger in the singles. The answer is Constantino Rocca back at Valderrama in 1997. Yes 21 years ago!

THE RYDER CUP – TWO DAYS TO GO

Poulter happy to cop Ryder pelters

ABUSE DRIVES ME ON SAYS EUROPE TALISMAN

PUMPED:
Poulter

IAN POULTER can't wait to get stuck into the Americans at the Ryder Cup.

The 42-year-old didn't make the team for the defeat at Hazeltine due to injury – but is back and raring to go in Paris this weekend.

Poulter is a real hate figure for the Yank fans thanks to his amazing exploits in past Ryder Cups.

Now he wants to make more history. He said: "I'm rekindling the thoughts of all the previous times I've played and I'm pretty excited."

"Last night was great to get with the guys – it was a relaxed evening and we had

By **JOHN ANTHONY**

some fun. It's always a special week from a team perspective."

It's been a long road back to the Ryder Cup team for Poulter who plummeted down the world rankings after his layoff.

But he's been in cracking form coming into the biggest weekend in the golf calendar.

Poulter added: "I guess when you are at the low of lows, and that wasn't that long ago, there's a little voice in the back of your head that kind of says 'You might not get back to as good as you was'."

"It was difficult being vice-

captain last time knowing how I'd helped the team in the past."

"This time I felt I really wanted to make the team and felt if I worked hard, restructured things, I could definitely make this Ryder Cup team which I have."

It won't be easy for Europe as the American team is packed with stars – including Tiger Woods who has just won his first tournament in five long years.

Poulter is pleased to see the world's most famous golfer back in form.

He added: "There were definitely question marks when I was struggling a bit and I looked to see where he has been, it is quite inspira-

tional to see how good he's come back."

"For the Ryder Cup it is great and it is good to have Tiger Woods playing the type of golf he is playing because he makes the Ryder Cup even more special."

Tommy Fleetwood is making his Ryder Cup debut and he's hoping his knowledge of the Le Golf National course – where he's won before – will be an asset.

He said: "It's difficult to say how much of an advantage it will be. It can't do any harm we've played the course many times and know it better."

"I played the French Open four times and didn't do any good and on the fifth time I won."

CHANCE: Bin Suroor

Gardenia can bloom after good debut run

WINNING POST

WITH BEN MORGAN

BLUE GARDENIA (NAP) looks a great bet today.

David O'Meara's filly made good late ground last time out when almost reeling in a highly rated rival. Despite this, you could see that the penny dropped half way up the straight and with that experience under her belt she could prove a force to be reckoned with today.

Saeed Bin Suroor sends a nice horse in Alfurat River to Redcar but with the 5lb filly allowance I am hopeful Blue Gardenia can cease victory today.

Ed Walker is enjoying a good season and is perhaps reaping the rewards that his tentative, patient methods deserve.

He has campaigned LEGAL HISTORY in a very similar manner and after a promising run last time out, Walker will be hoping he can go one better. The step down in trip wouldn't have been the obvious route after he came so close last time over 1m 4f but he certainly looks well treated on today's terms.

Attitude

I was glad to see PABLO ESCOBARR bounce back last time with a solid second at Goodwood. He returns to the track today hoping to go one better and I am hopeful that he will do just that.

After putting in such a promising debut effort for Mark Johnston it was incredibly disappointing to see him run so badly next time out in what would be his last race for Johnston.

A switch to William Haggas' yard could prove a shrewd move as his 'softly softly' approach might just suit this son of Galileo a lot better. He has already shown that he has a good attitude and I think he will make up into a very nice three year old.

Saeed Bin Suroor is trying his best to strike up a relationship with promising young apprentice Jason Watson and the pair team up again at Wolverhampton tonight.

Their best chance looks to be MADKHAL who ran better last time. He was well punted on debut but perhaps didn't appreciate the rain softened ground.

On a better surface last time he looked much more at home and only went down by a neck.

IT AIN'T SIMPLE FOR SIMON

Mignolet has been a pro says Klopp

LIVERPOOL boss Jurgen Klopp has praised No2 goalie Simon Mignolet for not spitting the dummy after being denied a summer move.

The Belgian had to sit and suffer after Alisson Becker was brought in and calamity keeper Loris Karius was offloaded to Turkey.

Mignolet wanted to leave too and was made some decent offers by sizeable clubs in Europe. But Klopp wouldn't let him go and risk being left with no cover if the incoming Brazilian was injured.

He will give the back-up stopper a chance to stake his claim against Chelsea in the Carabao Cup on Wednesday night.

But it's clear that it would take a major upheaval to get back into the first team.

Klopp said: "The only position I will confirm today is Simon will start."

"All the rest, you have to wait until. But it will be a good team, believe me."

"He has been brilliant. It was as you can imagine."

"Transfer window time is one of two moments in the year when you can make decisions about going somewhere and, yes, Simon would have been ready to go to another club, to be the number one,

wherever in the world. That was clear.

"But we couldn't do it, and since then he has been brilliant. He trains fantastic. It's all good and he deserves that game absolutely tomorrow. I'm really happy to give him that opportunity."

Although Klopp will make wholesale changes against the Blues, he's making it clear that he wants to bring his first silverware to Anfield.

The German added: "We are really competitive. We really want to win that game."

"I have to make decisions and I will make decisions and it will be a really strong side."

"I will not name a number of changes. It will not be the maximum and it will not be the minimum."

Serious

"One I have already confirmed, so it cannot be nil, and it will for sure not be 11."

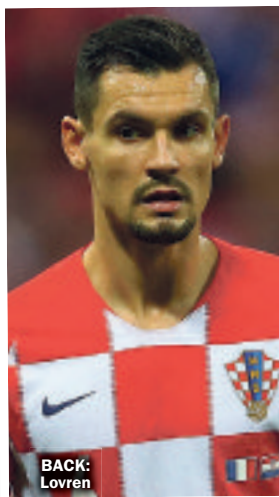

Virgil Van Dijk will not be involved after he came off early in the 3-0 weekend win against Southampton holding his ribs.

Klopp is expecting him back for the Premier League game against Chelsea on Saturday.

He said: "He is much better. It is painful, nothing else. So we will see how we deal with that."

"It's not too serious, but it's not nothing, so that needs to settle for sure. We'll see how he comes here today and will make a decision about him."

Dejan Lovren is also expected to play for the first time since helping Croatia make the World Cup semi-final. There should also be starts for Daniel Sturridge and another Brazilian newcomer Fabinho who has only made a brief appearance off the bench since signing from Monaco.

ROSE: WE'VE BEEN CRAP!

By MARK NAYLOR

DANNY Rose admits Spurs have been RUBBISH this season.

The Londoners managed to stop the rot of three straight defeats with a tight victory at Brighton last time out.

Boss Mauricio Pochettino has publicly criticised his players and it seems the stars themselves agree.

Rose has been one of the poorest and admits he has to pull his socks up.

The England full-back said: "We have not been up

to standard and we are well aware of that."

"It is something that is not good enough but it is not something we are worried about just yet, and Saturday was a great start in hopefully picking up some momentum."

"We have gone against the odds in the last two or three years and that is just the standards we have all set for ourselves. We are not

going to shy away from that. Hopefully now we kick on."

Rose thinks a tough run of fixtures has not helped and believes a Premier League run that sees Spurs take on Huddersfield and Cardiff will push them back into the top four.

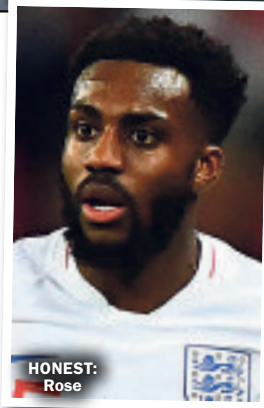

Tottenham have been beaten at home by Liverpool and at high-flying Watford where they threw away a lead.

He added: "We have got good fixtures now on paper. I would like to think we

are going to get full points in all those games before we go away for the international break with England."

"That is the plan. If I look back over the last few years we do not start great and we normally pick up momentum around October and November, and we always have a strong Christmas period."

"We are looking forward to doing the same again this season."

GET ME BACK TO JUVE

Pogba still
wants to
quit Reds

PAUL Pogba has spoken out against Manchester United's negative tactics because he wants a move back to Juventus.

That's the view from Italy

where reports suggest the Turin giants could make their bid as soon as January.

Pogba and boss Jose Mourinho reportedly had a row after their 1-1 draw with Wolves and

the Frenchman complained that the Reds did not attack enough in home games.

Juventus have had a huge commercial boost from their signing of Cristiano Ronaldo and bringing Pogba "home" could have a similar effect.
